)	CIVIL ACTION
vs.)	
)	Case No. 4:24-CV-00359
JOEL F. SHAW PARTNERSHIP and)	
STATE EAGLE ENT., INC.,)	
)	
Defendants.)	

COMPLAINT

COMES NOW, TERRANCE HOLLIDAY, by and through the undersigned counsel, and files this, his Complaint against Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* (“ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (“ADAAG”). In support thereof, Plaintiff respectfully shows this Court as follows:

JURISDICTION

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1343 for Plaintiff’s claims pursuant to 42 U.S.C. § 12181 *et seq.*, based upon Defendants’ failure to remove physical barriers to access and violations of Title III of the ADA.

PARTIES

2. Plaintiff, TERRANCE HOLLIDAY (hereinafter “Plaintiff”) is, and has been at all times relevant to the instant matter, a natural person residing in Sugar Land, Texas (Fort Bend County).

3. Plaintiff is disabled as defined by the ADA.

4. Plaintiff is required to traverse in a wheelchair and is substantially limited in performing one or more major life activities, including but not limited to: walking and standing.

5. Plaintiff uses a wheelchair for mobility purposes.

6. In addition to being a customer of the public accommodation on the Property, Plaintiff is also an independent advocate for the rights of similarly situated disabled persons and is a “tester” for the purpose of enforcing Plaintiff’s civil rights, monitoring, determining and ensuring whether places of public accommodation are in compliance with the ADA. Her motivation to return to a location, in part, stems from a desire to utilize ADA litigation to make Plaintiff’s community more accessible for Plaintiff and others; and pledges to do whatever is necessary to demonstrate the plausibility of Plaintiff returning to the Property once the barriers to access identified in this Complaint are removed in order to strengthen the already existing standing to confer jurisdiction upon this Court so an injunction can be issued correcting the numerous ADA violations on this property. (“Advocacy Purposes”).

7. Defendant, JOEL F. SHAW PARTNERSHIP, (hereinafter “JOEL F. SHAW PARTNERSHIP”) is a partnership that transacts business in the State of Texas and within this judicial district.

8. Defendant, JOEL F. SHAW PARTNERSHIP, may be properly served with process for service, to wit: 3334 Richmond Avenue, Houston, TX 77098.

9. Defendant, STATE EAGLE ENT., INC. (hereinafter “STATE EAGLE ENT., INC.”), is a Texas company that transacts business in the State of Texas and within this judicial district.

10. Defendant, STATE EAGLE ENT., INC., may be properly served with process for service via its Registered Agent, to wit: c/o Moiz A. Maknojia, Registered Agent, 2563

Cartwright Road, Missouri City, TX 77459.

FACTUAL ALLEGATIONS

11. On or about December 14, 2023, Plaintiff was a customer at “First Stop Food Mart,” a business located at 2563 Cartwright Road, Missouri City, TX 77459, referenced herein as “First Stop”. Attached is a receipt documenting Plaintiff’s purchase. *See* Exhibit 1. Also attached is a photograph documenting Plaintiff’s visit to the Property. *See* Exhibit 2.

12. Defendant, JOEL F. SHAW PARTNERSHIP, is the owner or co-owner of the real property and improvements that First Stop is situated upon and that is the subject of this action, referenced herein as the “Property.”

13. Defendant, STATE EAGLE ENT., INC., is the lessee or sub-lessee of the real property and improvements that are the subject of this action.

14. Plaintiff lives 5 miles from the Property.

15. Given the extremely close vicinity of the Property to Plaintiff’s residence, Plaintiff travels by the Property on a weekly basis.

16. Plaintiff’s access to the business(es) located at 2563 Cartwright Road, Missouri City, TX 77459, Ft. Bend County Property Appraiser’s property identification number: R98410 (“the Property”), and/or full and equal enjoyment of the goods, services, foods, drinks, facilities, privileges, advantages and/or accommodations offered therein were denied and/or limited because of his disabilities, and he will be denied and/or limited in the future unless and until Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., is compelled to remove the physical barriers to access and correct the ADA violations that exist at the Property, including those set forth in this Complaint.

17. Defendant, JOEL F. SHAW PARTNERSHIP, as property owner, is responsible for complying with the ADA for both the exterior portions and interior portions of the Property. Even if there is a lease between Defendant, JOEL F. SHAW PARTNERSHIP and the tenant allocating responsibilities for ADA compliance within the unit the tenant operates, that lease is only between the property owner and the tenant and does not abrogate the Defendant's independent requirement to comply with the ADA for the entire Property it owns, including the interior portions of the Property which are public accommodations. *See* 28 CFR § 36.201(b).

18. Plaintiff has visited the Property at least once before as a customer and advocate for the disabled. Plaintiff intends to revisit the Property within six months after the barriers to access detailed in this Complaint are removed and the Property is accessible again. The purpose of the revisit is to be a return customer to determine if and when the Property is made accessible and for Advocacy Purposes.

19. Plaintiff intends on revisiting the Property to purchase goods and/or services as a return customer living in the near vicinity as well as for Advocacy Purposes but does not intend to re-expose himself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

20. Plaintiff travelled to the Property as a customer and as an independent advocate for the disabled, encountered the barriers to access the Property that are detailed in this Complaint, engaged those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access present at the Property.

21. Although Plaintiff did not personally encounter each and every barrier to access identified in Plaintiff's Complaint, Plaintiff became aware of all identified barriers prior to filing

the Complaint and because Plaintiff intends on revisiting the Property as a customer and advocate for the disabled within six months or sooner after the barriers to access are removed, it is likely that despite not actually encountering a particular barrier to access on one visit, Plaintiff may encounter a different barrier to access identified in the complaint in a subsequent visit as, for example, one accessible parking space may not be available and he would need to use an alternative accessible parking space in the future on his subsequent visit. As such, all barriers to access identified in the Complaint must be removed in order to ensure Plaintiff will not be exposed to barriers to access and legally protected injury.

22. Plaintiff's inability to fully access the Property and the stores within in a safe manner and in a manner which inhibits the free and equal enjoyment of the goods and services offered at the Property, both now and into the foreseeable future, constitutes an injury in fact as recognized by Congress and is historically viewed by Federal Courts as an injury in fact.

COUNT I
VIOLATIONS OF THE ADA AND ADAAG

23. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

24. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;

- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

25. Congress explicitly stated that the purpose of the ADA was to:
- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
 - (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and
- * * * * *
- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

26. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

27. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

28. The Property is a public accommodation and service establishment.

29. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

30. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

31. The Property must be, but is not, in compliance with the ADA and ADAAG.

32. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property as well as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

33. Plaintiff intends to visit the Property again in the very near future as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

34. Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

35. Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., will continue to discriminate against Plaintiff and others with disabilities unless and until Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., are compelled to remove all physical barriers that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

36. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed, or was made aware of prior to the filing of this Complaint, that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

ACCESSIBLE ELEMENTS:

- i. Nearest Unit 2515, there is a vertical rise in excess of ¼ inch along the accessible route or path in violation of Section 303.2 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access public features of the Property as vertical rise in excess of ¼ inch may cause Plaintiff's wheelchair to snag on the vertical rise and tip over.

- ii. Nearest Charlie's Catering, there is a vertical rise in excess of $\frac{1}{4}$ inch along the accessible route or path in violation of Section 303.2 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access public features of the Property as vertical rise in excess of $\frac{1}{4}$ inch may cause Plaintiff's wheelchair to snag on the vertical rise and tip over.
- iii. Inside First Stop Food Mart, the interior has walking surfaces lacking a 36 (thirty-six) inch clear width, due to a policy of maximizing the number of items of sale in the store by placing items in the accessible route, in violation of section 403.5.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to properly utilize public features at the Property because the width of Plaintiff's wheelchair would prevent passage through areas with a width less than 36 inches.
- iv. Inside First Stop Food Mart, there are sales and services counters lacking any portion of the counter that has a maximum height of 36 (thirty-six) inches from the finished floor in violation of section 904.4 of the 2010 ADAAG standards, all portions of the sales and service counter exceed 36 (thirty-six) inches in height from the finished floor. This barrier to access would make it difficult for Plaintiff to properly transact business at the Property as Plaintiff is in a wheelchair which makes his height much lower than a standing individual, so a surface with a maximum height of 36 inches above the finished floor is necessary for Plaintiff to sign credit card receipts.

- v. In front of First Stop Food Mart, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- vi. In front of First Stop Food Mart, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of section 406.5 of the 2010 ADAAG Standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- vii. In front of First Stop Food Mart, the access aisle serving the accessible parking space is not at the same level as the parking space it serves in violation of section 502.4 of the 2010 ADAAG Standards. This barrier to access would make it difficult for Plaintiff to exit and enter their vehicle if parked at that accessible parking space.
- viii. In front of First Stop Food Mart, the accessible parking space is missing an identification sign in violation of section 502.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate an accessible parking space.
- ix. In front of First Stop Food Mart, there are vertical rises and potholes throughout the ground surfaces of the accessible parking space and associated

access aisle. As a result, the ground surfaces of the accessible space and associated access aisle have vertical rises in excess of $\frac{1}{4}$ (one quarter) inch in height, are not stable or slip resistant, have broken or unstable surfaces or otherwise fail to comply with Section 502.4, 302 and 303 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property.

- x. In front of First Stop Food Mart, there is a vertical rise at the base of the accessible ramp that is in excess of a $\frac{1}{4}$ of an inch, in violation of Section 303.2 and 405.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access public features of the Property when using this accessible ramp as vertical rises on ramps are particularly dangerous as the surface of the ramp is already at a significant slope which increases the likelihood of the wheelchair to tip over due to the vertical rise.
- xi. In front of First Stop Food Mart, there are areas of the accessible parking space that have a cross slope in excess of 1:48 in violation of section 502.4 of the 2010 ADAAG standards and is not level. This barrier to access would make it dangerous and difficult for Plaintiff to enter and exit the vehicle as a level surface is needed so the wheelchair does not tip over and injure Plaintiff as excessive cross-slopes increases the likelihood of Plaintiff's wheelchair tipping over on its side and injuring Plaintiff.
- xii. The total number of accessible parking spaces is inadequate and is in violation of section 208.2 of the 2010 ADAAG standards. There are 73 total parking

spaces at the Property, which require a minimum of two accessible parking spaces, but there is only one accessible parking space. This barrier to access would make it difficult for Plaintiff to locate an available accessible parking space as such a small number of accessible parking spaces in a large parking lot increases the likelihood of there not being an available accessible parking space.

- xiii. The Property lacks an accessible route from the sidewalk to the accessible entrance in violation of section 206.2.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to utilize public transportation to access the public accommodations located on the Property.
- xiv. Defendants fail to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

FIRST STOP FOOD MART RESTROOMS

- xv. The restroom lacks signage in compliance with sections 216.8 and 703 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to locate accessible restroom facilities.
- xvi. The door to the toilet area has a maximum clear width below 32 (thirty-two) inches in violation of section 404.2.3 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities as wheelchair typically has a clear width of between 30 and 32 inches and the wheelchair will not be able to fit through the doorway to access the toilet. In the case that the wheelchair may barely fit through, the tight doorway would likely injure Plaintiff's hands

as they could get caught between the wheel and the doorway.

- xvii. The door hardware providing access to the restrooms requires tight grasping and twisting of the wrist in violation of Section 404.2.7 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to utilize the restroom facilities.
- xviii. The grab bars/handrails adjacent to the commode are missing and violate section 604.5 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to safely transfer from the wheelchair to the toilet and back to the wheelchair.
- xix. The hand operated flush control is not located on the open side of the accessible toilet in violation of section 604.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to flush the toilet as the location of the flush control on the open side is significantly easier to reach than when it is positioned on the closed side.
- xx. The accessible toilet room lacks the required size and turning clearance as required in section 604.8.1.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff's wheelchair to fit into and maneuver within the toilet room.
- xxi. The toilet paper dispenser in the accessible toilet is not positioned seven to nine inches in front of the toilet and therefore is in violation of section 604.7 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to utilize the toilet due to the fact the toilet paper dispenser is at

an improper distance from the toilet, given Plaintiff's disability, Plaintiff would not be able to get up and reach the toilet paper.

37. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

38. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

39. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

40. All of the violations alleged herein are readily achievable to modify to the Property into compliance with the ADA.

41. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

42. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., have the financial resources to make the necessary modifications. According to the Property Appraiser, the collective Appraised value of the Property is \$1,234,450.00.

43. The removal of the physical barriers and dangerous conditions present at the Property is also readily achievable because Defendants have available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction from the IRS for spending money on accessibility modifications.

44. Upon information and good faith belief, the Property has been altered since 2010.

45. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

46. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., are required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

47. Plaintiff's requested relief serves the public interest.

48. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC.

49. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., pursuant to 42 U.S.C. §§ 12188 and 12205.

50. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

(a) That the Court find Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., in violation of the ADA and ADAAG;

- (b) That the Court issue a permanent injunction enjoining Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC., from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendants, JOEL F. SHAW PARTNERSHIP and STATE EAGLE ENT., INC. to (i) remove the physical barriers to access and (ii) alter the Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff his reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances

Dated: January 31, 2024

Respectfully submitted,
